

AARAV SHARMA

Computer Science Student

Email: aarav.sharma@example.com | GitHub: github.com/aaravsharma

SUMMARY

Second-year Computer Science student interested in backend development, data analysis, and practical machine learning projects.

EDUCATION

B.Tech in Computer Science, City Engineering College

CGPA: 8.5/10

Relevant Coursework: Data Structures, OOP, Database Systems, Statistics

TECHNICAL SKILLS

Python, SQL, Git, GitHub, OOP, Data Structures, Algorithms, Flask, Pandas, NumPy, Matplotlib, HTML, CSS, JavaScript, Linux

PROJECTS

AI Resume Analyzer

Built a Python application using TF-IDF and cosine similarity to compare resumes with job descriptions and generate improvement suggestions.

Student Result Dashboard

Developed a Streamlit dashboard to visualize student marks, attendance, and subject-wise performance using Pandas and Matplotlib.

EXPERIENCE

Coding Club Volunteer

Helped beginners debug Python programs and explained OOP basics.

ACHIEVEMENTS

Solved 150+ programming problems on coding platforms.
